# Unity

## Rev. Jung Ung Moon

We are one body in Jesus Christ. The Apostle Paul said in Romans 12:4-5, "For as in one body we have many members and not all the members have the same function. So, we who are many, are one body in Christ and individually we are members one of another." Every one of us is unique and special in God's sight. Every child of God has his or her own gifts according to the grace of God. We are one body in Christ. We need to let our love be genuine, hate what is evil and hold fast to what is good.

Love one another with mutual affection. As we put our hands together in prayer, we become one as one spirit. Let us rejoice in hope, be patient in suffering and persevere in prayer. We are not alone because we are one body. A teacher will instruct a student, and that student will become a teacher for another one day. Spring is after winter, and summer is after spring. All people and nature praise God's creation. There is one Creator, one Spirit and one Lord. Jesus is our only God. We run toward the goal of heavenly prizes. We are in Jesus, so we are one body.

In Galatians 5:22-25, Paul said, "by contrast, the fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self-control. There is no law against such things. And those who belong to Christ Jesus have crucified the flesh with its passions and desires. If we live by the Spirit, let us also be guided by the Spirit. Let us not become conceited, competing against one another, envying one another." In God, we are one tree that bears the fruit of the Holy Spirit. As important as it is to be one body in God, we must also bear good spiritual fruit. Just as all the branches are attached to one tree as they bear fruit, so we are attached to God and receive spiritual nourishment. When a seed is planted, it spends time in the ground. The winter comes and it seems like the seed has died but when spring comes, it sprouts and soon grows to become a tree.

The love of Jesus Christ on the cross overcame death and became the fruit of the resurrection which is the hope of salvation for all of us who believe in Him. We are one body and Bayside UMC is God's tree. God always loves you now and forever.

# Some Thoughts On The Church

## Efrain Padilla

There are presently several hundred thousand churches in the United States. Every Sunday morning millions of Americans enter a building, sing a few songs, listen to a sermon and give a donation. They have a snack with friends and return home thinking that this feel-good ritual leaves them in good standing with an all mighty and holy God. Yet Matthew 7:21-23 makes it sadly and horrifyingly clear, not everyone who says "Lord, Lord, shall enter the kingdom of heaven." It clearly states that Jesus will tell many, "I never knew you, depart from me." This terrifying portion of scripture is not referring to atheists and criminals. It is referring to people who refer to Jesus as Lord! Who claim to have prophesied and done miracles in His name! These are people that obviously participated in church life. How can this be? How can church members and church leaders be rejected by Jesus? I believe that this will be the result of many lukewarm hearts that have filled many lukewarm churches.

Our country is experiencing a morality crisis that I believe is a result of this lukewarm Christianity. A country that over 60% of its citizens purport to be Christian should not be in the moral decay that we are presently experiencing. Yet every Sunday morning there are millions of church attendees that are being fed feel good messages by church leaders that seem to be more concerned with mass appeal than they are with preaching the truth of God's word. The church should not be thought of as a place to make people feel good about themselves. A priority of the church should be to confront people with their sin and their need for a Savior. This message will always be on a collision course with the culture of this world. Christians will never be popular and liked. We are aliens in this world. James 4:4 states: "Do you not know that friendship with the world is enmity with God? Whoever therefore wants to be a friend of the world makes himself an enemy of God." The purpose of the church is not to have feel good get togethers. It is not a social or cultural club. It is not a place to network or to gain social standing. The Church of our Lord and Savior Jesus Christ is a place that should lead us to a sacrificial devotion to our Lord, to His Word and to His commands.

Certainly, attending church and being around our Christian brothers and sisters can and does bring great joy. Singing worship songs together and hearing from God's word brings great pleasure and comfort. Yet, if we are not careful this comfortable environment can become what we strive for and desire. This can lead to a lukewarm church that places its congregants and leaders in eternal peril. A true church and true discipleship require a commitment to the authority of scripture. Not just reading the bible for its wonderful words and stories but obeying and living out its commands. The church and its congregants must guard against becoming like the sinful culture around us. A culture that constantly bombards us with messages of seeking the will of self over the will of God. Breaking free of the world around us does not come easily or naturally. We are all sinful and selfish beings and many of these cultural messages and ideas are appealing to us. The only liberator from this toxic world is faith in our Lord and Savior Jesus Christ. Church communities therefore need to be committed to living out this faith corporately. We all need the support and encouragement of one another and to be held accountable if we are going to run this race to the end. We must corporately hold the scriptures in the highest regard and hold ourselves and the culture around us in the lowest regard. Only through a total commitment to God and a love for one another can the church stand strong as a pillar of truth in a world full of lies and as a beacon of light in dark times.

My prayer for Bayside United Methodist church for 2022 and beyond is that we strive to be a united, devoted and biblically minded community. That we become holiness seeking and prayerful disciples of our Lord and Savior Jesus Christ. May God bless and lead us all.

## Church COVID 19 Guidelines

Although, we have opened our church to many activities we follow the CDC guidelines. *The CDC has recently issued revised guidelines for in-person gatherings due to the rapid spread of the Delta variant of the coronavirus. These revised guidelines include the recommendation that vaccinated and unvaccinated persons in areas with high infection rates wear masks when gathering indoors.*

**PLEASE NOTE: THIS NEW GUIDANCE MODIFIES THE GUIDANCE OFFERED ABOVE IN THAT ALL PERSONS, INCLUDING VACCINATED AND UNVACCINATED, ARE NOW RECOMMENDED TO WEAR MASKS WHEN GATHERING INDOORS. THE CDC AND NYS HAVE NOT OFFERED NEW GUIDANCE REGARDING SOCIAL DISTANCING OR SURFACE DISINFECTION AT THIS TIME.**
