SPRING HAS SPRUNG

“For behold, the winter is past, the rain is over, it is gone. The flowers appear on the earth; The time of singing has come, And the cooing of doves is heard in our land”. Song of Solomon 2:11-12

Hello dear people, I do hope and pray all is going well with all of you. As are all of us, my wife Sun and I are welcoming spring after a long cold winter. Traditionally, spring represents the start of something new, new beginnings, progress, blossoming of new things, birth, and new life. The sun brings on daytime earlier. The sky is clearer, and the air is fresher. You feel at peace when you see the flowers blossoming in nature, you feel amazing when you see the landscape unfolding, almost before your eyes. Sun and I do them almost daily park walk and comment on how the blossoming flora begins to hide the bare and harsh background winter has left. We commune with the birds that inhabit the area. The ducks and geese but especially the swans. We marvel at their nest building and are quite elated when their hatchlings finally show themselves. Bet you didn't know that baby swans are called Cygnets.

The coming of Spring means housework. Not your everyday sweeping and mopping but the all-out cleansing. I've got two stories of hardwood floors and they get extra lustered attention. Spring also means yard work. We are very proud of our lawns and gardens. We work really hard on keeping them aesthetically pleasing to the senses. Sun spends hours in her vegetable garden. We grow lettuce, tomatoes, peppers, eggplant, dill, scallions, beautiful Korean squashes, etc., and a bevy of flowering plants, not the least of all, Roses. We have a variety of them, and they are simply delightful to sit amongst. Retired people like Sun and I deserve to stop and smell the roses.

The warm temperature and additional sunlight in early Spring brings life to our earth. Both Flora and Fauna respond to Gods clockwork. These are all signs that Winter is transitioning to Spring. And the vibrancy of Spring is synonymous with life.

“But these (miraculous signs) are written that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name”. John 20:31

Yes, Spring is all about new life. It’s about growth and green things. But, as the Bible reminds us, true life is about believing that Jesus is the Son of God.

In John 10:10 Jesus told his disciples that he came so that they might have life and have it more abundantly. Each of us are able to experience the life that God desires us to have when we believe that Jesus is the Son of God. This is possible because our God is a god of grace. No matter how sin-ridden our past has been, when we accept Jesus into our hearts, he gives us his Spirit. And his Spirit gives us true life.

Enjoy the Springtime. Even more than that, enjoy the life that Jesus brings.
