Love of God

Rev. Jung Ung Moon

God is love. Jesus came to the earth because of God's love. No one and nothing could ever get in the way of this love. The blessings that God has prepared, and the grace of salvation are gifts of God that cannot be compared with anything else. They are precious beyond measure.

“Beloved, let us love one another because love is from God; everyone who loves is born of God and knows God. Whoever does not love does not know God, for God is love. God's love was revealed among us in this way: God sent his only Son into the world so that we might live through him. In this is love, not that we loved God but that he loved us and sent his Son to be the atoning sacrifice for our sins. Beloved, since God loved us so much, we also ought to love one another. No one has ever seen God; if we love one another, God abides in us, and his love is perfected in us.” (1John 4: 7-12, NRSV)

We can love each other because of God's unchanging love. God saved us by the cross of Jesus. That is why we call the cross love. The cross is the proof of the love of Jesus Christ, who overcame death and rose again. Eternal life is not the absence of death, but it is beyond death. We can expect eternal life because we believe in the risen Jesus. Only Jesus has the power and authority to grant eternal life. The God who loved us has sent us the most precious gift, Jesus.

God sent his one and only precious Son to die for us. God truly loves us. God wants us to be blessed. So, He made a way to answer our powerful prayers in the name of Jesus. When we pray in the name of Jesus, God hears and answers. If we think we are not getting answers, we need to ask ourselves if we are really praying. If we sincerely pray and ask, God will surely answer us. When we obey God, we will love one another. It is a lie to follow God and not love your neighbor because God is love.

We can pray for each other because we truly love each other. I pray for all our church members because I love all of you. I believe that God is with us. I pray for you wherever you are because by God's love we are connected. If we pray for each other, God will establish a spiritual connection among us. We have been given the grace to become brothers and sisters in God.

I believe all these changes that are taking place will make us stronger spiritually in God's service. And one day we will worship and thank God in one place and remember this time. We thank God for all the lives that He leads, and we hope that our lives will become a way to spread the love of Jesus.
