**“... you will be a blessing.” (Genesis 15:2).**

**Dear sisters and brothers in Christ Jesus,**

**I greet you in the name of Jesus Christ who is our Lord and Savior. It is said that Americans hop to new nests every five years.” Homeowners tend to stay put longer, averaging 8.2 years, while renters relocate every 2.1 years. The median time people live at one residence is 5.2 years. These statistics tell us what is going on, but they don’t tell us why. Why are all these people moving every 5.2 years?**

**In 1990, my wife and I came to this country to study. We moved to Kansas City from Seoul, Korea. After 12 years, we moved from Kansas to New York in 2002. I served English and Korean speaking congregations for 15 years. The churches I served made me mature. As I reflect on the congregations where I served, I am always so thankful for their support. When my wife and I left Korea, we did not have our children. For these 32 years in this country, we have been bringing up two children, Paul and Joshua as God’s gifts. Also, we live with my mother together at home.**

**What is the purpose of moving to a land unknown? As the Bible says, “You will be a blessing,” Abraham and Sarah left their familiar homeland to be a blessing to others. Just as Abraham and Sarah became a blessing to others, we hope and pray that we will be a blessing to you. In the same way, I pray that you will be a blessing to us, too.**

**As we celebrate the 246th Independence Day, we remember the following words from the Declaration of Independence. “We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.”**

**Jesus Christ who is our Lord and Savior gives us life, freedom, and happiness. I believe that these are the blessings that Jesus Christ gives us. I hope and pray that our Bayside UMC and Bayside KUMC will be a blessings to others for life, freedom and happiness in the Gospel of Jesus Christ.**

**This year’s New York Annual Conference theme was ‘reset, renew, and revive.’ Let us reset, renew, and revive with the help of the Holy Spirit as we continue to take our spiritual journey in Christ Jesus.**

# **Eventful June at BUMC**

**Hello everyone. God Bless Us All! June has been quite eventful. I will touch on some of them here.**

**The weather for the most part had been very pleasant. My wife Sun and I try and get out for morning walks daily. My doctor always asks me if I got out of my recliner in front of my flatscreen. Nag, nag, nag. The last week of May and the first week in June, I helped my sister move “trunk, bunk and junk” from East Elmhurst to Deland, Florida. Totally DIY. That meant, take her stuff apart, wrap it up, haul it up some narrow steps from her basement apartment and into the moving truck. There I had to stack it up floor to ceiling and secure it. How do people accumulate so much stuff. You never know how much stuff you got til you gotta move it. Anyways, drove down to Fla. with her and unloaded. We did get some help but you know that few volunteer, but fewer show. I wore myself down too much cause once back, I got terribly sick. With the kind thoughts and prayers from wonderful people plus visits from Reverend Moon who prayed over me, I got better. Praise the Lord!**

**Suns garden is growing lovely. Lettuce & tomatoes, peppers, squashes, cukes, eggplant, mint & melons. Just some of the varied veggies and our persimmon tree looks promising. The flowering plants are a testament to Gods eye for beautiful things. It’s a pleasure to work it and even better to sit and see the “fruits” of one’s labor.**

**Pastor Yohan finally got hitched to his longtime sweetheart here at the Church. It was a beautiful ceremony. Quite well attended. The food spread laid out by the Shepherd Church was astounding! All the best to Mr. & Mrs. Kim.**

**On a sad note, our wonderful Sunday School teacher and committee member, Linda Notto's mother, Eva passed recently. Her funeral service lead by Rev. Moon was really nice and well attended. Linda’s mom lived a long good life and is now with her maker. Keep Linda in our prayers.**

**Our dear Pastor. Reverend Moon has been called to another destination on his journey to serve God and the people of God. In New Jersey. I had a joke to insert here, but thought better of it. I had the pleasure of his friendship and his spirituality throughout his time here at BUMC. Through my battles with cancer, which I am in remission, and my mother's passing which I can't thank enough, the Reverend and our wonderful congregation who stepped up to reassure me and my siblings that all is good and right with the Lord. I took away many happy moments from that event. Thank you.**

**Reverend Moons ministry here at BUMC encompassed quite a bit. Besides the work done on the Church building and property, his use the internet to advance his ministry with morning prayer services and updated web site and along with Romin Hong the advancement of the VBS program to get kids on the right side of God. They can get “the Word” through scripture, music and sports. The last I heard we had over 45 kids signed up for the programs. Most of them from the community. So, we pray for the continued success of Rev. Moon. Let's not forget Mrs. Soohyun Moon and their two lovely daughters Yeju and Yena.**

**I'd like to take this time to welcome the Reverend Dr. YonBo Lee who will now shepherd us into the future. I've read his bio and spoke with him a bit and find him to be a very spiritual and knowledgeable man. Of course, he will bring his own thoughts and skills into building up our place here in Bayside. I am confident that, with our prayers, thoughts and actions, we collectively can keep the Bayside United Methodist Church a vital and relevant place of worship for many years to come.**

**I again want to thank everyone who thinks a kind thought or prayer to anyone else. “No man(one) is an island. No man(one) stands alone. Each man's grief is grief to me, each man's grief is my own”. - John Donne(paraphrase)**
