**“They are like trees planted by streams of water, which yield fruit in its season, and their leaves do not wither. In all that they do, they prosper.” (Psalm 1:3)**

**Dear Bayside United Methodist Church,**

**As I watched the weather channel recently, they worried about the drought and heat wave. I hear from a news, saying, “Please conserve water.”**

**An ancient Greek philosopher said, “The source of all things is water.” It seems true that all living creatures are based on water. It is said that the structure of the human body is made up of ninety percent water in blood.**

**There are secrets in life. I think that the first secret in life is the secret of birth. The second secret in life is the secret of fruit. These mysteries are always connected to water. The psalmist says that “They are like trees planted by streams of water.” Let us imagine that a tree stands by a stream and that the stream runs quietly by the tree. How cool that looks! How can we find the way for our spiritual lives to be cool? The tree planted by water is not afraid of drought and heat. Since the root of the tree is spread out to the water, the tree is always green, and the tree produces much fruit in spite of the blazing sun.**

**Likewise, you and I can live like the tree planted by water only when our lives are rooted in God. Our VBS is like a tree planted by the water of life which is symbolic of Jesus Christ. Jesus Christ says, “Those who drink of the water that I will give them will never be thirsty. The water that I will give become in them a spring of water gushing up to eternal life.” (John 4:14). May our spiritual lives be planted by the streams of water rooted in**

**Christ Jesus! Amen.

## **Perspiration & Inspiration**

**“Its rising is from one end of the heavens, and its circuit to the other end of them; And there is nothing hidden from its heat”. Psalm 19:6**

**Hello, my fellow BUMCers. Well, here we are in the “Dog days of Summer”. I thought I knew what the Dog days of Summer meant. Old Fido panting hard from walking on hot pavement. Heck, that’s what I sometimes do myself, during some heavy-duty yardwork. But no, it actually comes from the ancient Egyptians. I looked it up. They believed exceptionally hot weather was directly related to the appearance of the dog star Sirius in the constellation Canis Major. Sirius is visible in Egypt’s sky from about July 3 to August 11. Therefore, the dog days are technically over by mid-August despite the modern interpretation which typically portrays endless heat that may define the month of August. There you have it. We learn something every day. Kidding aside, please be careful when you’re out and about. Extreme heat and humidity can be very dangerous.**

**Our Church has been very busy lately. What with Reverend Lee becoming our Senior Pastor. To his credit and our benefit, he has hit the ground running. Moving into the Parsonage is a major job but he has picked up the ZOOM morning prayer and Sunday services without missing a beat. He has convened our various committees to keep what we do, moving along, but now with his involvement. Hands on! That being said, we must all also put in some effort to move our Church up and onward. Since COVID, our Church has suffered attendance-wise. That translates directly into less volunteers. There are many things going on in our Church that could use and need people to come in and help, if just for a few hours.**

**“Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers”. Galatians 6:10**  
**Pastor Romin Hong has his hand full too. His “baby”, VBS is really grown from a concept into a full-blown program with over 50 students and 20 teachers and volunteers. Head Director Romin gave me a walking tour of all the various rooms and spaces used for instruction and playtime. It was amazing, seeing all the activities these kids are being offered. I saw a violin class, two drum classes, arts &**

**crafts, sports, Bible studies etc., as we saw in last Sunday's video presentation. Our Sunday School Director Linda Notto is a major cog in the system. I see how "her" kids are so devoted to her. God Bless Her! Again, volunteers are needed. If you'd like to give some of your time and effort into this VBS program, please contact Romin at the Church office or speak with Linda. Your time will be greatly appreciated and you'll feel great doing it.**

**Many things are happening or are in the works at our Church. I'm always reminded of that "hand rhyme" I learned as a child, "Here is the church. Here is the steeple. Open the doors and see all the people." A Church is but a building. For a Church to have any other meaning is to have people, congregants, like minded folks who do and think as Jesus would. We can't all be Saints but we can all be Christians!**

**"You see that a person is justified by works and not by faith alone."**

**James 2:24**

**My wife Sun and I go to [baysideumc.net](http://baysideumc.net) on the internet every weekday morning at 6:30 for Morning Prayer Service. It's a great way to start one's day. It's got a short praise hymn, a bit of scripture and lesson from Rev. Lee. Then of course we pray together and one feels ready to face another day. At most, it's twenty minutes. It's a great way to start your day. Hope to see you there. God Bless Us All!**
