**“I am not ashamed of the gospel, because it is the power of God for the salvation of everyone who believes: first for the Jew, then for the Gentile. For in the gospel a righteousness from God is revealed, a righteousness that is by faith from first to last, just as it is written: &quot; The righteous will live by faith.&quot; (Romans 1:16-17)**

**Dear sisters and brothers in Christ Jesus,**

**I hope and pray that this season of fall will bring many blessed things to us. As a disciple of Jesus Christ, October always reminds me of the Reformation.**

**On October 31, 1517, Martin Luther issued his Ninety-five Theses in Wittenberg and began the Protestant Reformation. It began Protestant Reformation.**

**Martin Luther said, “Many have taken the Christian faith to be a simple and easy matter, and have even numbered it among the virtues. This is because they have not really experienced it, nor have they tested the great strength of faith.”**

**Romans 1: 16-17 changed Martin Luther’s life forever. Martin Luther was a German theologian and leader of the Reformation. Thanks to his contributions, the Protestant Church emerged from the Roman Catholic Church.**

**One day, Martin Luther began to climb up the steps of a Cathedral on his knees to be saved by his efforts. In the midst of his penance, the Word of God grasped him. It was Romans 1:17, saying, “The one who is righteous will live by faith.” Martin Luther said, “This passage in Paul became the very gate of paradise to me.” “Faith alone and the Scripture alone” were the catch phrases of the Reformation. Martin Luther believed that salvation would be granted on the basis of faith.**

**How could Martin Luther lead the Reformation? Martin Luther experienced the power of the Gospel of Jesus Christ through his whole being.**

**In verse 16, St. Paul says, “I am not ashamed of the Gospel, because it is the power of God for the Salvation of everyone who believes.” St. Paul always experienced the Gospel of Jesus Christ as power.**

**Many of us have come to church for many years. I wonder whether we have experienced Jesus Christ as our power. Every Sunday, we hear God’s message. I wonder whether we experience God’s message as power. I wonder whether we experience God’s Word as power.**

**What power does the Bible tell us? The word “power” in English is “Dunamis” in Greek, the New Testament. The word “dynamite” in English comes from the word “Dunamis” in the Bible. The Gospel of Jesus Christ is the greatest power that can break through everything. But let us not misunderstand that the power of the Gospel controls others in violent force.**

**The power of the Gospel of Jesus Christ has the power to change our hearts and our lives with grace and love. Only the power of the Gospel of Jesus Christ has the power to defeat a force of Satan.**

**God calls us for the powerful witnesses of the Gospel of Jesus Christ to transform the world around us. Let us experience the power of the Gospel of Jesus Christ like dynamite explodes in us. Let us become the powerful and passionate disciples of Jesus Christ like Saint Paul as we remember the Reformation.**

**May God reform us with the power of the Gospel in Jesus Christ!**

# THE UNITED METHODIST CHURCH

Thomas J. Bickerton, Resident Bishop  
New York Area Episcopal Office  
New York Annual Conference of the United Methodist Church

September 24, 2022

Dear Friends and Colleagues,

It was just a short five years ago that I wrote to you about the devastation that Hurricane Maria caused in the Caribbean, especially Puerto Rico, killing thousands and triggering one of the largest blackouts in U.S. history. Our Annual Conference responded in a substantial way by generating resources, sending work teams and providing a strong sense of solidarity by praying for the communities affected by the storm.

Just a few days ago, Hurricane Fiona struck Puerto Rico again, creating flooding, landslides, power outages and water shortages. The damage is still being assessed, but we have heard from our partners in Puerto Rico that the Southeast part of the Island is the most affected. Many roads are currently closed cutting off essential supply chains.

In Puerto Rico and the U.S. Virgin Islands, The United Methodist Committee on Relief (UMCOR), our primary disaster response agency, provides support for relief supplies and other commodities. They are also prepared to offer additional support through funding, training, and project development once specific needs are identified. REHACE, a nonprofit organization of the Methodist Church of Puerto Rico, has partnered with UMCOR to provide immediate response in the communities. Currently, they are organizing Centers for those displaced by the storm and community dining rooms as they continue to evaluate the needs created by the storm.

I am asking that all our congregations designate Sunday, October 15, for a special offering in support of UMCOR's and our Conference's response effort in this area. Please send your contributions directly to the New York Annual Conference Center. Make your checks payable to NYAC and include "Bishop's Appeal - Hurricane Fiona" in the memo line.

**Mail to:**

White Plains, NY 10606**

**Individuals can also donate online using our webpage:**

**<https://ny-reg.brtapp.com/MakeaDonation>**

**Given the deep connections that New York Conference churches and communities have with Puerto Rico, I request that we make this response effort a priority for us as a Conference and for our local churches.**

**Rev. Nikki Hutt, our Conference Mission and Disaster Response Coordinator, will continue to monitor the situation and provide guidance in the specific and additional ways that we may be called upon to respond. When appropriate, we will organize the deployment volunteer recovery teams into the areas. As in any emergency situation, we must wait for the National Guard and first responders to take the lead. Our opportunity to organize recovery teams will and should only occur after receiving the appropriate clearances. We want to ensure that we maximize our efforts and the safety of our people traveling into the region. For now, the best way for us to respond is through this financial appeal.**

**Please intentionally pray for all those impacted by disasters throughout our country and the world. And once again, stay strong, keep the faith, and know that you are thought of, prayed for, and loved.**

**The Journey Continues, . . .**

## **Times, they are a 'changing!**

**Another month passes, cooler temps ahead. Thank the Maker! We soldiered through it. You know, "Onward Christian soldiers"! I couldn't resist that. Work goes on, here at BUMC. Reverend Lee isn't worried about getting his feet wet. He is committed to his job as our new Shepard. He's here to lead us up and onward. Into our community and wherever we need to be, to get the Word out. "Then I will give you shepherds after my own heart, who will lead you with knowledge and understanding". (Jeremiah 3:15)**

**On September 11th, we had quiet reflections on that unforgettable day, were Rev. Lee preached on how remembering where we were at that moment and not to forget how it galvanized the country. How, there are grown-ups in our midst who weren't even born yet. We don't need the hyperbolic hoopla to take us out of why we remember that date. I worked in midtown and remembered the shock and the acrid air...**

**September 18th, the Lord gave us a great day for our Outdoor Garden Service. We had our BUMC, BKUMC and Modern Worship congregations contributing their time and talents to make it a great success. The combined music talents were inspiring and energetic. The Nosh(food) put together by BKUMCs Chef Kyungo Yoo and the industrious Korean Ladies Group after the service was on the money!**

**As Lay Leader, SPPRC chair and Trustee member, I am quite busy behind the scenes here at BUMC. Rev. Lee, Sookie Koh and I had the pleasure of attending our new District Superintendent, Reverend Elizabeth Abels installation at St. Marks UMC in Brooklyn. The Church is a lovely Sanctuary, and the service was well attended. The music and spectacle were memorable. The joint was jumping! Even Bishop Bickerton was rocking and dancing about on the altar stage. I again, got to meet D.S. Abel as she visited our Church a few days later. We gave her the full tour. She remarked that our Church is a fine-looking Church, and she will be here for us in our future plans. She was a truly a down to earth person who was easy to talk to and seemed to know how we might move forward on certain aspects of our growth. We were impressed by her. Glory to God. "Trust in the Lord with all your heart, and lean not on your own understanding, In all your ways acknowledge Him, and He shall direct your paths". (Proverbs 3:5-6)**

**Speaking of installations, our Pastor, the Reverend Dr. YongBo Lee will be installed as our spiritual guide here at BUMC on October 23rd, 4:00pm. We hope to make it a memorable day also. - “For Many are called, but few are chosen.” (Matthew 22:14)**

**On September 24th, I joined Rev. Lee, Dorothy Kim (BKUMC Womens Group chair) in White Plains for a 2022 Special Annual Conference Session. There we participated in voting for various nominations and the 2023 NYAC budget. Our own Reverend Lee was nominated for a trustee position. He and his group of nominees were voted in. We are very proud of him. It can't hurt to have one of us in the deciding body.**

**Our Youth and Modern Worship Director Romin Hong has stepped down from those positions but will stay on as our invaluable Church Office Manager. We can't thank Romin enough for the time and efforts he gives to BUMC and BKUMC. I for one, have come to rely on him in my various Committee duties.**

**I like to remind you dear folks, that volunteering any of your time and efforts in any way in society is commendable. There are plenty of opportunities to use you time and abilities right here at our Church." Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers". (Galatians 6:10) It doesn't have to be long term or long hours, it does one's heart good, knowing that you contributed and helped out on an outcome.**
