**“Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful.” (Colossians 3:15)**

**Dear sisters and brothers in Christ Jesus,**

**November reminds us of the season of Thanksgiving. As Thanksgiving Day comes near, I am always reminded of “The Angelus,” an oil painting, by Millet, a French artist. Looking at “The Angelus,” there is a never-ending field, the setting sun over the field, evening bell from a far church, and a young couple’s thankful praying pause.**

**When I see this painting of Millet’s, I see a peaceful rural life. The endless field, many stacks of grain, the red sun set over them, and the ringing bell from the church all make up the painting. These scenes make a peaceful landscape. It is said that God made a rural life and humans made an urban life. The reason we feel peace from the painting of Millet’s Angelus is because nature is our cradle and our resting place.**

**Through the young couple in the painting, we see a thankful faith in God. The young couple bow their heads and fold their hands in thankful prayer in the midst of their field hearing the bell ringing from the church. The faces of the young couple look beautiful and holy.**

**The young couple would probably thank God who gave them a land to sow and an abundant fruit to harvest. They would probably thank God who made them happy and healthy. It is said that give thanks to God who gives a lamp stand. Then God will give the stars. Give thanks to God who gives the stars. Then God will give the sun. Give thanks to God who gives the sun. Then God will give Christ Jesus, our righteous sun. Let us be thankful to God who has given the fruits of blessings in our work places and in our homes. November 20 is “Thanksgiving Sunday.” I hope to see many of our church members on Thanksgiving Sunday. May God fill us with God’s peace whenever we are thankful to God!**

# Hello November

It's been quite a rainy fall season so far. All that rain my wife Sun prayed would fall on our lawns and garden during those sweltering summer days are falling now. But, whom am I to question the mysteries of nature. Speaking of inclement weather, I am happy to report, my newly transplanted Floridian sister Blanca, survived a bit of a scare down there with Hurricane Ian. It caused quite a bit of mayhem. Her new digs is kinda on a high ground, so no flooding (though she had twenty sand bags at the ready). Strong winds toppled a tree onto another neighbor's roof. The worst of it for her was a few days without power and internet. Poor dear couldn't get her morning coffee. But her new neighbors helped her with freshly brewed coffee and advice. Propane stove, aluminum cookware and brewing your coffee through a "sock" (the old-fashioned way). She has bought a few things to help her cope with the next one. We all prayed for her through this ordeal.

On October 15th, BUMC hosted the second concert series, New York Lights. It was a beautifully presented show featuring Piano Blues (Aaron Copeland), Opera (Porgy & Bess – George Gershwin) and Broadway (West Side Story – Leonard Bernstein) with Master pianist Han Baek Lee, soprano Yu Jung Bae and tenor Rogelio Penaverde Jr. They obviously put in the work, because their performances were mah-ve-lous! The function was also able to raise \$300.00 in donations for missions. Can't beat that with a stick!

Boys Scout Troop 662 were really happy to pick up their overflowing bin filled with our donations of school supplies for homeless school kids. A super effort from BUMC and BKUMC folks who donated. Thanks to you all!

Reverend Lee concluded his ZOOM Discipleship Bible Study program, The Way to Salvation series. He of course has plans on furthering this series at future date. I, for one look forward to it.

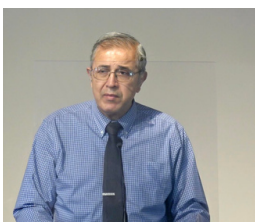

The great event of the month was the Ceremony of Installation of Reverend Dr. YongBo Lee as our senior pastor. I had the privilege of being the presenter. Standing at the stage left dais, I was able to see the event from a great vantage point. It was a wonderful ceremony. DS Elizabeth Abel attended and took part as well as other Clergy from NYAC and Rev. Lee's colleagues. Rev. Dr. Marvin Moss's Sermon was powerful and energetic. He obviously was influenced by the Bennet Murray led Bayside Praised Team rendition of "Are you walkin' and a talkin' for the Lord" which energized the whole sanctuary! There was a whole lotta music goin' on including Agosto & Cesaltina Ferreira, Paula Pyung, The Gloria Choir and the Korean Caucus NYAC having their time to shine. I was so happy to see Juanita Lynch attend and take part in the ceremony.

**I was so happy to see Juanita Lynch attend and take part in the ceremony. Amid all the worship, I saw a young mother tending her toddler up in one of the upper rooms in the back of the sanctuary. I could see that she was fully taking in the event as she held her child in her arms. I looked up there often and smiled. It did my heart good to see a mother's love. After the wonderful service we had some fellowship downstairs. The food put together by BKUMCs Chef Kyungo Yoo and the industrious Korean Ladies Group led by Dorothy Kim was spectacular. Sun and I made a bunch of my famous lemon cake cupcakes and all was good with the world. In all, it was good Christian Worship and Fellowship.**

**I love a Church that is fully invested in its congregation and community. Make no mistake, our Church under the leadership of our Pastor Reverend Lee will make sceptics rethink their thinking. Our doors are wide open to let in all who look and want something to fill their hearts in these times of pain and doubt. Our Country, in fact, the World needs to look for a better way to fulfill the emptiness created by circumstances which are beyond our control. Perhaps we need a bit more of good old fashion Christian fellowship and worship to get right. Not that Brand X stuff that's flooding the airwaves. Denouncing these people or those people because of this or that. What would our Lord Jesus Christ do, say and act. Compassion and care for everyone is a place to start. "And be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you. (Ephesians 4:32)**

**I'd like to remind you dear folks, that volunteering any of your time and efforts in any way in society is commendable. There are plenty of opportunities to use you time and abilities right here at our Church." Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers". (Galatians 6:10) It doesn't have to be long term or long hours, it does one's heart good, knowing that you contributed and helped out on an outcome.**
