June Newsletter

Written by: Rev. Dr. Yongbo Lee, Senior Pastor

"But while he was still a long way off, his father saw him and was filled with compassion for him; he ran to his son, threw his arms around him and kissed him." (Luke 15:20)

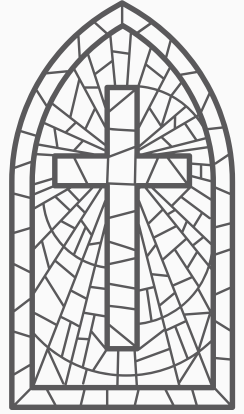

Dear Sisters and Brothers in Christ Jesus, Father's Day is observed on the third Sunday of every June. This day honors all fathers. It was first celebrated in Spokane, Washington, in 1910. Father's Day was inspired by a woman named Sonora Smart Dodd. When she heard a Mother's Day sermon in 1909, Sonora was inspired to celebrate a day to honor all fathers too. Her own father, Civil War veteran William Jackson Smart (1842-1919), was a single parent who raised her and her 5 siblings after the death of his wife. Since then, we have kept Father's Day on the third Sunday of June. As we celebrate Father's Day, the Gospel of Luke chapter 15 reminds us of a story about a troubled and problematic family. The story begins with a younger son and his father. We call the story "The Prodigal Son." One day, the younger son said to his father, "Father, give me my share of the property now." So the father divided his property between his two sons. After a few days, the younger son sold his part of the property and left home with the money. The younger one went to a country far away. He wasted his money on reckless living. Finally, he came to his senses and said, "I have sinned against God and my father." So he started his journey back to his father. When the younger son returned home, he returned as a beggar. But his father had been waiting for his younger son. The father received his younger son with joy. The father dressed the younger son in the best robe and placed a ring on his finger and shoes on his feet. A party began.

This story talks about a relationship between a father and his sons, and a relationship between two siblings. The two brothers appeared to have a competitive relationship rather than a cooperative relationship.

In 1970, Henri Nouwen, who wrote "The Wounded Healer, defined today's world as "a rootless generation." "A rootless generation" means "generation without fathers." Henri Nouwen said, "We are facing a generation which has parents but no fathers." According to the U.S. Census Bureau, 18.4 million children, 1 in 4, live without a biological, step, or adoptive father in the home. Some of these children go to bed each night without a father in the home. As we celebrate Father's Day, let us remember the father of the prodigal son. Let us remember the importance of our fathers, mothers, sisters, and brothers in our life. The God we believe in is the waiting Father. Return to the waiting Father and He will say to us, "Let us celebrate with a feast! For this child of mine was lost. Now he has been found."

Happy Father's Day!

Bayside UMC Online Ministry

Dear faithful servants of God,

I hope and pray that you are doing well with the grace of our merciful God.

I want to inform you about our online ministry.

For the past few months, we have averaged 65 online attendees. On May 14th, we had the highest amount of attendees present coming in at 70 people. Hallelujah!

Our Youtube channel has gotten 22,556 views so far. The highest number of views our church has received was from our music offering video which received 800 views without any advertisement. Special thanks to Kevin, Bennett, and Paula for your amazing dedication.

I think that our online presence and our church presence is growing due to people from other communities and people from our Bayside community showing interest in our online ministries because of the steady progress of video production, and the Bayside VBS program. Special thanks to pastor Romin for your hard work.

So I want to ask you to pray for the Bayside UMC online ministry. Our church's YouTube channel is being exposed by the YouTube algorithm, and this number could decrease if we don't continue to develop online services. There are a couple of things that we should develop and focus on such as purchasing new audio equipment, video equipment, hiring trained staff and so on.

I give thanks and praise to God for showing us great potential. I want to ask you to continue to pay attention to the Bayside UMC online ministry and pray for it. Thank you so much!

Blessings,
Pastor Yohan Kim.

Bayside United Methodist Church Scholarship Reestablishment

We, Bayside United Methodist Church, celebrated our 125th anniversary in 2015. This year, 2023, is the year the church is celebrating its 133rd anniversary. With the help and guidance of the Holy Spirit, it is being used to spread the gospel of Jesus Christ to the local community with the dedication of faithful former and current church members. On Sunday, June 4th, 7 students will be confirmed. Thanks to Eulynis Matthias Fridie, Lynn's guidance and 7 other mentors, they completed the confirmation class over the past 5 weeks. The names of the students are as follows; Jackson Murray, Makaya & Makayla Maynard, Imani Jolie Fridie, Daniel Han, Faith Han, Sam Han. Sunday, June 11th, we celebrate graduation Sunday. This year, Sam Han and Annette Murray are graduating from high school and going off to college. I pray that God's great blessings be with both of them. We, Bayside United Methodist Church, must continue to be used in this community for the sake of the gospel. Just as we receive the blessings of the present through many faithful church members of 133 years ago, we believe that our next generation will also receive the blessing of the Gospel of the Lord through our dedication. First of all, for this work, my family will give \$1000 as a scholarship fund for my mother-in-law's memorial this year. My mother-in-law was born at the base of the Manchurian Korean Independence Army in China as the daughter of the late Lee Woo-Seok, who was in charge of arms for the victory of the Battle of Cheongsan-ri over the Japanese army in the 1930s.

When my mother-in-law was alive, she gave us a will to raise the next generation in the name of Jesus by delivering the scholarship every year through the church. As our church nurtures the next generation through the scholarship fund, we pray that the children of the next generation will grow up well and be used as an instrument of hope for the Lord's church and the world.

I humbly ask you to help contribute to the Bayside United Methodist Church Scholarship Fund. It is my sincere prayer that our children will grow up well in the church and become disciples of Jesus Christ who transform the world in the name of Jesus Christ.

In Christ Jesus

Rev. Dr. YongBo Lee

"You have heard me teach things that have been confirmed by many reliable witnesses. Now teach these truths to other trustworthy people who will be able to pass them on to others." (2 Timothy 2:2)
