**“So let’s strive for the things that bring peace and the things that build each other up.” Romans 14:19 (Contemporary English Bible)**

Dear sisters and brothers in Christ Jesus,  
With the help of God, we finished the 37th day of VBS from July 6 to August 25. On Sunday, August 27th, we had a final worship service with VBS children, their parents and their grandparents and our church members at 10am. Our sanctuary pews were filled.

First of all, we thank God. We want to thank God for a successful VBS. Second, for 37 days, we give thanks to the 145 children, the 29 teachers and the congregations from both churches who pray and support to make this VBS possible.

I prayed that among these children, future presidents, celebrities, sports stars, scientists, broadcasters, writers, civil servants, lawyers, medical doctors, artists, and pastors will come out to make this world more hopeful than us. Let us keep on praying for our children and our church. Romans 14:19 was the theme verse of this VBS. The main theme word was “Hero.” At the end of the day, when I gave the children blessings, we shouted together that we were heroes

The apostle Paul presents two goals for Christians in  
Romans 14:19.

The two goals for Christians are peace and building  
up.

In order for us to become heroes of peace and build  
each other up, we have to practice 5 things.

1. Heroes are called to follow Jesus! Let us be faithful followers of Jesus Christ.
2. Heroes are called to help others. Let us be good helpers for others.
3. Heroes are called to listen to God. Let us be good listeners.
4. Heroes are called to work together. Let us be a good team for God’s kingdom
5. Heroes are called to show grace. Let us share the grace of Jesus Christ with others.

Let us believe that we are called to be heroes for  
God’s kingdom in Christ Jesus.

In Christ Jesus

# Bayside UMC Online Ministry

Dear faithful servants of God,

I hope and pray that you are doing well with the grace of our merciful God.

I want to inform you about our online ministry.

For the past few months, we have averaged 65 online attendees. On May 14th, we had the highest amount of attendees present coming in at 70 people. Hallelujah!

Our Youtube channel has gotten 22,556 views so far. The highest number of views our church has received was from our music offering video which received 800 views without any advertisement. Special thanks

to Kevin, Bennett, and Paula for your amazing dedication.

I think that our online presence and our church presence is growing due to people from other communities and people from our Bayside community

showing interest in our online ministries because of the steady progress of video production, and the Bayside VBS program. Special thanks to pastor Romin for your hard work.

So I want to ask you to pray for the Bayside UMC online ministry. Our church's YouTube channel is being exposed by the YouTube algorithm, and this number could decrease if we don't continue to develop online services. There are a couple of things that we should develop and focus on such as purchasing new audio equipment, video equipment, hiring trained staff and so on.

I give thanks and praise to God for showing us great potential. I want to ask you to continue to pay attention to the Bayside UMC online ministry and pray for it. Thank you so much!

Blessings,  
Pastor Yohan Kim.
