STARTS JULY 8TH ENDS AUG 23RD, 2025

Summer Vacation Bible Day Camp 2025

Our church is in the heart of the Bayside community. There is a 45 percent Caucasian population, a 45 percent Asian population, and a 10 percent African American population. The Bayside community is the majority working class. Our VBS camp program is different from other programs in our community because we offer affordable care and accommodate those who are struggling.

Our goal for our VBS camp program is to be able to show God's love to all the children who participate. We want our children to want to follow Jesus Christ and eventually want to accept Him as their Lord and Savior. Our prayer is for our children to transition from merely coming to church as VBS campers to coming to church on Sundays and being a part of God's family. We will be able to see how our VBS camp has affected children's lives by the increase in new members during our Sunday service and school.

Our VBS camp program will run in-person from Monday through Friday, 8:30 am to 6pm. Our program will include enrichment in academics by going over and teaching topics such as Math, English, and Science. Recreation and Biblical applications will also be utilized every day. We will have praise and worship 2 times a day, once in the beginning and once at the end of the day. We will use the UMC VBS curriculum, which Road Trip: On the Go with God. Joshua 1:9 "The Lord your God is with you ever where you go". We will also offer activities, such as baking, arts and crafts, STEAM, and gym. Our afternoon program will include choir, music and teaching basic instruments- Flutophones, and Handbells.

We will serve a light breakfast of toast and bagels, and lunch. We will also have daily breakfast and lunch provided by the New York City Department of Education for the campers. Romin Hong, our VBS director, has a qualifying certificate in Food Protection #14-00686 and will oversee the food preparation at the church site. Throughout the day, we will offer snacks, fruits, vegetables, and beverages.

We have installed water purifiers and HVAC systems in most of our classrooms and shared spaces. We will also supply all our VBS campers with a t-shirt. Classes will be broken up by grade- Pre-K through 8th. For group times, the grades will be combined into 5 groups: Pre-K & K, 1st & 2nd, 3rd & 4th, 5th, 6th, 7th & 8th.

We offer our church members a 50 percent discount. First session- 9am to 3pm is \$1400. Second session- 3pm to 6pm is \$400. For the second child, it is \$50 off, the third child is also \$50 off.

We are hopeful that our church will grow, and that soon, we will be able to provide year-round after-school services, ESL, language lessons, and more. We ask for your continued prayers for our VBS Program. God bless you all.

Message from our Senior Pastor

Rev Dr YongBo Lee

2025 Summer VBS Theme: “Road Trip”

“Be strong and courageous. Do not be terrified; do not be discouraged, for the LORD your God will be with you wherever you go” (Joshua 1:9)

Dear Kids and Parents,

This summer, we’re setting out on an amazing “Road Trip” together! Our journey will take us through the lives of incredible Bible heroes—Abraham, Elizabeth, and Paul and others in the Bible. Just like a road trip full of excitement and discovery, our time together will show us how God was present with these heroes in every part of their journeys, and how God is with us, too!

The Bible is our GPS. Our “Road Trip” will be filled with fun activities, songs, games, and crafts that will help kids not only learn these stories but also understand how God’s love and guidance are with them wherever they go. Kids will come away from this summer knowing that they can trust God, no matter what road they’re on, because God is always with us—protecting us, providing for us, and guiding us.

We’re so excited to share this journey with you and can’t wait to see what new discoveries await! Pack your bags, bring your excitement, and let’s get ready to travel together in faith.

In Christ Jesus
